More Lakes to be conserved under CSR funds

District Minister
S.T. Somashekar visits rejuvenated Hebbal Lake

Mysuru, Feb. 13 (RK&BCT)- The Mysuru District Administration has been directed to look for sponsorships from various industry bodies and companies to rejuvenate Lakes under Corporate Social Responsibility (CSR) funds. District Minister S.T. Somashekar was speaking to reporters at the once dead Hebbal Lake that has been given a new lease of life by Infosys Foundation. The Lake has been rejuvenated in the biggest and successful lake conservation project under the Public-Private-Partnership (PPP) model in the State.

Infosys Foundation joined hands with the Mysuru District Administration and other stakeholders and has conserved the 48-acre Lake after the Foundation pumped in a whopping Rs. 30 crore funding for restoration works under CSR funds. The Lake campus has been beautified, re-attracting various species of birds.

The Lake now sports a walking and a jogging path, stone benches for walkers and a clean 2.2-km walking path has been laid and fences have been built around the Lake to prevent encroachments. Even a Sewage Treatment Plant has been established to take in the waste water and release treated water into the Lake.

"I have asked the authorities to approach companies in and around Mysuru to sanction their CSR funds to develop Lakes like Devanur Lake, Dalvoy Lake and other water bodies," he said.

'Radio Manasa' to go on air soon

▶ UoM VC releases Logo ▶ Studio set up at a cost of Rs. 35 lakh at Senate Bhavan

Mysuru, Feb. 13 (PM&SSV)- If everything goes as planning, 'Radio Manasa', a Community Radio Station (CRS) being set up by University of Mysore (UoM), at an estimated cost of Rs.35 lakh, to broadcast education-based programmes beneficial for both students and community, will go on air soon.

"We are waiting for an official letter from Ministry of Information and Broadcasting, New Delhi, to officially launch our Community Radio Station," said Prof. G. Hemantha Kumar, Vice-Chancellor, UoM, after unveiling the logo of the CRS, on the occasion of World Radio Day (Feb. 13), at a function held this morning at Vijnana Bhavan in Manasagangothri.

Two-year free Post-Graduate Certified Training in Product Engineering at Skanray

Mysuru, Feb. 13- Skanray, India's largest medical device manufacturer and exporter, will be conducting a two-year free 'Post Graduate Certified Training in Product Engineering' at its facility in Hebbal here to help students from Mysuru and surrounding areas. Interested candidates may apply.

Eligibility: BE (Mech, E&E, E&C, Biomedical, Computer Science) candidates with 70 percent aggregate of all semesters.

• Candidates who have chosen their mother-tongue as medium of primary education, rural candidates and children of unorganised sector labourers, street vendors, petty shop, auto drivers etc., with 60 percent can also apply.

• Students must have passed out in 2019-2020 or 2020-2021.

• Candidates already employed need to submit NoC from their current employer.

Course content: This course is based on actual product projects including Design, Manufacturing, Quality,Testing, Regulatory, Reliability, Customer Service and Business training through a mix of practical work and classroom training handled by experienced faculty.

Benefits: Candidates will get a monthly stipend/living expenses of Rs. 15,000 per month in the first year and Rs.18,000 per month in the second year.

Also, non-encashable benefits of upto Rs. 5,000 per month will be provided to needy candidates in the form of hostel, food and transportation facilities. Outstanding students will be placed in Skanray.

Interested candidates can send resume to: *HR@skanray.com* before Feb.20.

Selected candidates will be intimated the date of written test, interview through e-mail, SMS or WhatsApp. Written test will be conducted in the first week of March.

For any clarification, contact Mob: 72594-04786.

EDITOR'S BOTTOMLINE

HELLO, MINIMUM GOVT: ***At a time when farmers' protests have put it on the back foot, it's welcome that the Modi government has doubled down on the reform agenda in the Budget instead of succumbing to populist pressure. Unprecedented use of the word 'privatisation' suggests that it may be moving out of the 'reform by stealth' mode into acknowledging more frontally what the economy needs to climb out of the hole it's currently in. Prime Minister Narendra Modi gave an important speech in Parliament on Wednesday, underlining that the time and world in which the government did everything are long gone. Now the private sector has to play a much bigger role in the India story. But that needs fighting our hidebound distrust of it: "How can we declare all of them dishonest?"***

The politicisation of economic reforms has been the country's Achilles heel. Every time a government attempts them, an opposition party takes up the faux mantle of aam admi. The subtext of charges like 'suit boot ki sarkar' is that 'dhoti kurta sarkar' would be better. New votaries of preserving status quo in agriculture who have come up from Sweden to the US, would blanch at current Indian practices being replicated in their backyard. But experts have long noted that the NDA government with its historic majority and Modi with his enormous political capital, can break this impasse with candid advocacy of reforms. Time and again the gap between promises and execution has eroded trust in reform pledges. To win it back, the Modi government has to show actual progress in monetising assets, exiting non-strategic sectors. — *In The Times of India*

NEWS SPARKLERS

Phone booth-like office spaces

Tokyo: Offices of the size of phone booths, have been popping up all over Japan, as demand for public working spaces continues to soar.

Japanese media originally reported on the rise of Telecubes back in 2019, when Mitsubishi Estate announced plans to start rolling out the tiny but cozy offices at airports and train stations all over the country, to help out remote workers. The idea was that having micro-offices available everywhere would make it easier for people to work near home or while on business trips, while enjoying privacy and quiet, which venues like coffee shops or shared offices can't always offer. Then the Covid-19 pandemic hit, and the demand for Telecubes grew to unprecedented levels.

The soundproof boxes are about two meters tall and one meter wide, feature a desk, seating, a PC, power outlets and video conferencing software from VCube. They can be set up outdoors as well as indoors, and come in both a solo format, and a model designed for multiple individuals, in cases where face-to-face meetings are necessary.

Bright blue stray dogs spotted in Russia

Dzerzhinsk: A pack of stray dogs from Russia has gone viral across the world, thanks to their strange colouring. Surreal images that have surfaced from Dzerzhinsk, located in Russia's Nizhny Novgorod region, show dogs with vibrant blue coats.

Photos of the blue dogs have gone viral on Russian social media platform, sparking surprised as well as concerned reactions.

The animals' strange colour is thought to have been caused by chemical waste. The photos were taken near the Dzerzhinskoye Orgsteklo plant, which was once a chemical production facility.

HEALTH CAPSULE

WHAT IS A KIDNEY TRANSPLANT?

When you get a kidney transplant, a healthy kidney is placed inside your body to do the work your own kidneys can no longer do. On the plus side, there are fewer limits on what you can eat and drink, but you should follow a heart-healthy diet. Your health and energy should improve. In fact, a successful kidney transplant may allow you to live the kind of life you were living before you got kidney disease. Studies show that people with kidney transplants live longer than those who remain on dialysis.

VOICE OF THE READER

Kudos to Hebbal Fire Station

Sir,

I would like to place on record our heartfelt appreciation and gratitude to the Chief Fire Officer and all the staff of Hebbal Fire Station. There was an incident of dry grass and plants catching fire in the periphery of Falcon Tyres near Brigade Symphony Apartment on 6th February. It is not clear if the fire was lit deliberately to clear the bushes or was accidental.

The fire engine and fire men reached the spot within 10 minutes. They showed exemplary professionalism in dealing with the situation. After putting out the fire in the periphery, they went inside Falcon tyres premises to ensure that the fire is put out completely.

They were at the spot for almost 45 minutes leaving no stone unturned to ensure that the fire and smoke died down completely and the place is safe.

A sincere thanks to all the staff of Hebbal Fire Station for their dedication, professionalism and for keeping us safe.

—Kasi Ganeshan,

Mysuru-Kodagu MP meets Union Transport Minister with three proposals

- Upgrading Mysuru-Kadakola four-lane Highway into a six-lane
- Underpass at Yeliyur Circle along 10-lane Mysuru-Bengaluru Highway
- Four Road Under Bridges along Outer Ring Road in Mysuru

Mysuru, Feb. 13 (BCT)- Mysuru-Kodagu MP Pratap Simha has submitted a memorandum to Union Minister for Transport and Highways Nitin Gadkari regarding a series of developmental works to be undertaken in Mysuru Constituency. They include widening of highways, construction of road under bridges and also making the existing highways safe.

While submitting the memorandum, Union Minister Pralhad Joshi, former Chief Minister Jagadish Shettar were present. Chief among the list of demands by the MP is to widen the existing 18-km Mysuru-Kadakola four-lane Highway into a six-lane one.

There is an urgent need for upgrading the Highway as the Mysuru-Nanjangud belt has seen tremendous development over the years and there is a need to provide better connectivity as there is more scope for economic development, the MP told the Minister.

The MP reasoned that the Mysuru-Nanjangud-Thandavapura stretch has been developed into an industrial hub with many industries including Asian Paints and TVS setting up factories there. Also there is a 100-acre Women Entrepreneurs Park at Thandya near Kadakola.

In addition, work on Inland Container Depot/ Multi Modal Logistic Park for Railways at Kadakola by Container Corporation of India is coming up in 61 acres of land, boosting transportation and industrial growth, he stated in his memorandum seeking suitable direction to the National Highways Authority of India (NHAI) to widen the highway.

Underpasses along Highway

To provide safe passage to residents of various towns and villages along the Mysuru-Bengaluru Highway-275 that is being upgraded to a 10-lane Highway (including service roads), the MP has urged Nitin Gadkari to make provision for underpass at Yeliyur Circle between Mathikere-Shettahalli villages.

An underpass here will facilitate the smooth movement of villagers residing at Yeliyur, Mayannanakopplu, Vaiyurahalli, Avverahalli, Madegowdanakoppalu and Chandagaalu along the highway. In the absence of an underpass, these villagers and students have to travel 2 km extra to reach the other side of the road, Pratap Simha stated.

MP said that utmost safety has to be ensured so that the villagers and residents along the highway do not have a problem while moving on the service roads or while crossing underpasses to reach their villages.

The MP drew the attention of the Minister to the absence of service road from K. Koddihalli to Maddur town. He said that there are service roads all along the highway and there is a huge demand from villagers to extend the service road to connect K. Koddihalli village to Maddur town adjacent to Shimsha River. He urged the Minister to direct the NHAI to extend the service road.

Road Under Bridges

Pratap Simha told the Minister that four Road Under Bridges (RUB) have to be constructed along the 41.5 kilometre Outer Ring Road that has been declared as National Highway-275K. A proposal has been sent to the NHAI for approval and the total estimated cost of the RUBs is Rs. 70.58 crore.

The Road Under Bridges have been proposed to be constructed at 5.460 km of NH 275K (Outer Ring Road) with an estimated cost of Rs. 26.98 crore, at 7.060 km with an estimated cost of Rs. 8.90 crore, at 7.860 km with an estimated cost of Rs. 24.92 crore and at 28.585 km of the Outer Ring Road with an estimated cost of Rs. 9.78 crore, the MP told Gadkari.

Pratap Simha drew the attention of the Minister to the visit of Director General of Ministry of Road Transport and Highways on Oct. 10, 2020 where instructions were passed on taking up the Road Under Bridges widening work by box-pushing method.

Ethnographic study of Uppara Community in Mysuru and Chamarajanagar from Feb.15

Mysuru, Feb. 13 (PM&DM)- An ethnographic study of Uppara Community will be taken out in Mysuru and Chamarajanagar districts from Feb. 15 to 17.

Announcing this at a press meet at Uppara Hostel in Saraswathipuram here recently, Mysuru-Chamarajanagar District Uppara Association Convenor D. Jagannath Sagar said that the Sociology Department of Hampi Kannada University will take up the three-day ethnographic study under sponsorship from the Karnataka Government's D. Devaraj Urs Studies Centre.

Pointing that an ethnographic study will be taken out before including any community in the

SC/ST list, Sagar said that in this backdrop, the ethnographic study of the backward Uppara community assumes significance.

Noting that the team headed by Prof. K.M. Metri has already completed studies in the districts of Davangere, Raichur, Yadgir, Chikkamagalur, Tumakuru, Ballari etc., he said that the team will now undertake the study in Mysuru District on Feb. 15 and in Chamarajanagar District on Feb. 16 and 17.

Maintaining that Backward Classes Commissions headed by L.G. Havanur, Venkataswami and O. Chinnappa Reddy have highlighted that Uppara community has remained socio-economically backward and the community had little representation in Government service, Sagar stressed on the need for including the community under SC or ST list, if it has to enter the mainstream society.

Regretting that University of Mysore backtracked from its assurance of taking up ethnographic study of the community in 2019 for reasons best known to it, Sagar said that the team headed by Prof. K.M. Metri has to submit its report to the Government by Mar. 31 and the team is carrying out its last leg of studies in Mysuru and Chamarajanagar Districts from Feb. 15 to 17.

The Association office-bearers Hanumanthashetty Kudlur, C.A. Mahadevashetty and Latha Siddashetty, former MUDA Chairman Vijaykumar and others were present at the press meet.

Face cyber crimes head-on: CM to Police

Karnataka to bring legislation to regulate online games, says Home Minister

Bengaluru, Feb. 13 (UNI)- Karnataka Chief Minister B.S. Yediyurappa said that cyber security may pose a big challenge in the coming days not only in Bengaluru but across the State.

Speaking to newsmen after Senior Police Officers Annual Meet here recently, he said the Karnataka Police was doing exceptional work in the detection of crime. "There are several instances where the Police have arrested the accused within 48 hours, which shows their efficiency. Statistics also show that the number of heinous crimes in the State is decreasing and Karnataka is a safe place for women and children," he claimed.

"However, the investigation of cyber crimes will be a big challenge for the Police in future. Hence, we have set up eight Cyber Crime, Economic Offences, and Narcotics (CEN) Police Stations in Bengaluru. The Government is committed

B.S. Yediyurappa

to equip the Police Department technologically, by providing all required facilities," the CM said.

Yediyurappa, who also released the Karnataka State Industrial Security Force (KSISF) logo, Directorate of Forensic Science Laboratory Action Plan 2021-2024, Police Calendar, and launched the Mobile Crime and Criminal Tracking Network & Systems (CCTNS) System, mentioned that the government had relaxed the age limit for direct recruitment of Sub-Inspectors.

Online games

Home Minister Basavaraj Bommai said that the Government was planning to bring in legislation to regulate online games and strengthen cyber security. A detailed discussion took place on cyber security which may pose a big challenge in the coming days, he added.

Referring to cyber crime and the dark web, Bommai said this has become the new source for cyber crimes, drugs, and illegal arms. To tackle this, the Police Department has sought additional resources to equip the Police force to fight cyber related crimes. "Cases related to online cheating, cyber phishing and online game addiction by school and college students affecting their studies are on the rise," he said.

In order to regulate the illegal games online the government is seeking legal opinion."To tackle this menace comprehensively, the Government is contemplating a detailed legislation. For that a draft Bill is in the making and it is in the final stages," said Bommai.

Inspired by a movie, city boy leaves home but rescued by Hubballi hotel owner

Mysuru, Feb.13 (RK&SSV)- Inspired by Puneeth Rajkumar's blockbuster *'Doddmane Hudga'*, a 2016 released Kannada movie, a 14-year-old boy from Mysuru, who left home with an ambition of coming up in life, was traced in Hubballi and brought back to city yesterday.

A resident of N.R. Mohalla, the boy had gone missing from the city on Feb. 3. He told his parents that he would be visiting his grandparent's house and left by cycle at 2.30 pm on that day.

Instead of going to his grandparent's house on the next street, the boy went to Railway Station, parked his cycle at the Cycle Stand and took a train to Belagavi. When he did not return home, the anxious parents searched everywhere and filed a complaint with N.R. Police Station.

Meanwhile, the boy, after landing in Belagavi, went to Hubballi and sought job in a hotel. However, the hotel owner refused to give job as he failed to furnish his family details. At last, the hotel owner cajoled the boy and collected his father's mobile number. The owner then called up the father to inform that his son was safe in the hotel and asked to take him back. The boy's parents rushed to Hubballi and brought him back to Mysuru along with N.R. Police personnel.

In the movie, Puneeth would be having wealth but he would leave home and come to Hubballi to stand on his own legs. Subsequently, he would become a big person. Deeply inspired by this story line, the teenager too left Mysuru, goes to Hubballi but he was brought back by his parents before his dream was fulfilled.

Businessman robbed in city

- **Muggers take away Rs.1.8 lakh cash, three cheque books**
- **CCTV camera captures incident**

Mysuru, Feb. 13 (YDS&SSV)- A businessman was assaulted and relieved of Rs.1.80 lakh cash and three cheque books by two miscreants near Dalvoy College on Thursday night.

Premkumar

According to Police, the victim has been identified as Premkumar, a trader at APMC, Bandipallya, who resides near Dalvoy College. The incident occurred around 9 pm, after closing down his shop and going home on his two-wheeler. Two unknown persons followed him on a two-wheeler and waylaid him near Dalvoy College. Then they assaulted him and took away Rs.1.80 lakh cash and cheque books kept inside two-wheeler dicky.

The victim has filed a complaint with K.R. Police Station in this regard. Meanwhile, the robbery incident has been recorded in a nearby CCTV camera. The Police have taken the footage to identify the muggers.

Canter catches fire: Incense sticks worth Rs.2 lakh destroyed

Mysuru, Feb.13 (YDS&DM)- A canter vehicle transporting incense sticks (Agarbathi) accidentally caught fire near Kadakola on Mysuru-Nanjangud road yesterday.

The vehicle was carrying a load of incense sticks from Kadakola Industrial area in Nanjangud to Mysuru at about 2pm, when flames started emanating from the load near Kadakola. Soon the driver Syed stopped the vehicle and doused the flames.

After throwing out cartons that had caught fire, Syed started to drive again. However, moments later, fire again broke out in the vehicle, when fire tenders from Nanjangud rushed to the spot upon information and doused out the fire in a one-and-a-half hour operation.

But by then half of the goods (incense sticks) was gutted in the fire, resulting in a loss of about Rs.2 lakh.

However, there was not much damage to the Canter vehicle, according to Nanjangud Fire Officer Cheluvaraju.

Hotel Management Training

Mysuru, Feb. 13- Union Tourism Ministry in association with Department of Tourism, under its Skill Development, Entrepreneurship and Livelihood Scheme, is offering free training in Hotel Management and has invited applications from eligible candidates.

DC Office to move to new premises soon: Minister

Mysuru, Feb. 13 (RKB&BCT)- The magnificent heritage style multi-crore District Office Complex at Siddartha Layout on Bannur Road will soon house the Mysuru Deputy Commissioner's (DC) Office. A meeting will be held with officials and district heads to move the present office to the new premises, said Mysuru District Minister S.T. Somashekar, who already has his office at the new Complex.

Interacting with reporters at Pathrakarthara Bhavan this morning, the Minister said that it was decided earlier that the office would be shifted after the COVID-19 pandemic subsides. "Now that the contagion has considerably reduced, the process of shifting the office will begin soon and I will call for a meeting and decide," he said.

The Minister's assurance came after media persons drew his attention on the building that has been in an unoccupied state despite Rs. 84.66 crore being spent on it. The building was inaugurated on March 10, 2018 by the then Chief Minister Siddharamaiah. It will complete three years in 26 days.

The new building has been built on a 15-acre land belonging to the German Press on the lines of Lalitha Mahal Palace Hotel to match with the city's heritage character. A couple of Departments such as Food and Civil Supplies and Survey have been shifted to the new building and the plan was to shift all departments in March last year but it did not happen due to outbreak of the Coronavirus contagion.

The building has a built-up area of 22,920 sq. mts with a

basement of 9,150 sq. mts, ground floor of 4,720 sq. mts, first floor of 4,500 sq. mts, second floor of 4,550 sq. mts and parking area in basement.

Mayor Election

Minister Somashekar expressed confidence that this time, a BJP candidate would be elected as the Mayor of Mysuru City Corporation. "The BJP is in power at the State and Centre and it helps if our candidate is elected as Mayor. The BJP has 22 members in the Corporation and we are the largest party. So far we have not talked with any political parties for an alliance and we will do in the coming days," he said.

The alliance partners and probable candidate will be decided by the Chief Minister and State BJP President. "We are awaiting their directives," he added.

The Minister's rest of the address were focussed on the Union Budget where he said that the Budget has granted many projects to Karnataka and there was no question of any injustice to the State as claimed by the Opposition.

MLA L. Nagendra, Mysuru Urban Development Authority (MUDA) Chairman H.V. Rajeev, BJP State General Secretary M. Rajendra, City BJP President Srivatsa and District President Mangala Somashekar were present.

'Radio Manasa'

(Continued from page 1)

With this, UoM has become the first public Varsity in the State to start the CRS with the concept of community's participation in development.

Explaining the salient features of 'Radio Manasa', Dr. M.S. Sapna, Co-ordinator of Community Radio Station, told *SOM* that Information and Broadcasting (I&B) has allotted 89.6 frequency for our station and programmes could be heard in the range of 18-20 kms. "Our CRS is not All India Radio (AIR) to broadcast a variety programme or like FM Stations to air only entertainment oriented. 'Radio Manasa' is basically to broadcast programmes based on community development, education oriented involving students and teachers. Special talks by reputed doctors, litterateurs or others will be recorded and aired for the benefit of students and community," she said.

I&B Ministry has mandated that there should be a back-up programmes of 90 days for which preparation was on. To begin with, programmes would be aired only two hours in a day but the duration of hours would be increased in the coming days. Unique programmes like songs by tribals and music on extinction would also be recorded and aired. The repeat of morning's programme would be aired in the evening. Already, recording of students programmes was going on. We are expecting good response from students once 'Radio Manasa' goes on air, she noted.

Earlier, addressing the gathering, the VC said Mysore University was the first public University in the State to have its Community Radio Station, though Agricultural Universities have but among the State we stand first. The idea of bringing the project goes back to three years, when the initiative was done through the PMEB Board for applying to I&B Ministry. The project of Community Radio was not an easy task to the UoM as they had to apply under the educational institutional quota. Since the UoM has been one of the oldest and branded Universities in the country, the approval was done and the process commenced in mid-2018, he said.

Reason behind 'Radio Manasa'

Prof. Hemantha Kumar said the name 'Radio Manasa' was selected and approved keeping in view the name of the Manasagangothri campus which would flourish like a flow of knowledge. The upcoming radio station as an identity should grow and deliver its best to the people. Involving the community members, public organisations, students and faculty within the campus, it can come up with novel ideas and programmes which will be broadcast for the inclusive growth of all members.

The infrastructure support had been provided and has got all state- of-the-art facilities. The logo has its own history as it has been embodied within the logo of UoM, this itself was a clear indication that this new identity of the campus was an inseparable part. The University too can apply for grants under the scheme of CRS for its sustainability in the future. Adding up was the NAAC visit which would get them some good points with its inclusion and operations for the community they serve as an educational institution.

Prof. R. Shivappa, Registrar, Prof. N.K. Lokanath, Director, PMEB, Dr. T.S. Devaraja, Finance Officer, UoM and others were present.

One-day strike by builders: Construction activity hit

Mysuru, Feb. 13 (BCT)- Construction activity in and around Mysuru was disrupted yesterday, following the one-day strike by builders, real estate developers and contractors against increasing steel and cement prices. This was part of the nationwide protest called by the Builders' Association of India, against steep hike in steel and cement prices.

A joint forum comprising Builders Association of India (BAI), Confederation of Real Estate Developers Association of India (CREDAI), National Real Estate Development Council (NAREDCO) Association of Consulting Civil Engineers (India) representing various bodies of the construction industry had called for the strike.

In Mysuru, construction activities were stopped at over 500 sites including Reserve Bank Note Paper Mill India Private Limited. The strike affected thousands of daily wage workers who depend on construction industry. Even shops selling construction material reported a lull in business, said Chairman of BAI Mysuru Centre M. Rathnaraj.

The office-bearers of various industry bodies submitted memorandums to MLA L. Nagendra and S.A. Ramdas and also to Mysuru-Kodagu MP Pratap Simha's office.

Mysuru-Chamarajanagar Railway Line electrification

Tenders awarded for Rs. 20 crore project

Mysuru, Feb. 13 (BCT)- The much-awaited electrification of Mysuru-Chamarajanagar Railway line under the South Western Railway has got a boost with the Railways awarding tenders for the project.

The project is a part of phasing out diesel and going fully electric within the next few years. The electrification works will begin soon and will be completed in the 12 months.

The Mysuru-Chamarajanagar route is quite popular one with thousands of employees, students and daily wage workers taking the trains between the two destinations. The route also connects Nanjangud, regarded as Dakshina Kashi.

The railway line connects industrial areas of Kadakola, Sujathapuram, Nanjangud and Badanaguppe. The electrification is crucial for industrial growth of Mysuru as it will complement the Inland Container Yard by Container Corporation of India (CONCOR) that is coming up at Kadakola.

The Central Organisation for Railway Electrification (CORE) had called tender for design, supply, erection, testing and commissioning of electrification works of the 71-km route. The estimated cost of the project is Rs. 20.2 crore and the tender has been awarded on Jan. 22 to Powerguru Infratech Private Limited, Gurgaon. A deadline of 12 months has been set for project completion.

The electrification will benefit movement of cargo with better energy efficiency, zero emissions and lower operating costs. This apart, electric train is more powerful than its diesel counterpart for heavy cargo movements.

After the electrification project is completed, the line will get integrated with the already commissioned Mysuru-Bengaluru-Chennai electric mainline. The Railways can introduce MEMU (Main Electric Multiple Unit) trains on the Mysuru-Chamarajanagar section. MEMUs are known for their punctuality and better performance.

More Lakes to be conserved

(Continued from page 1)

Lauding the Infosys Foundation for rejuvenating the Hebbal Lake, the Minister said in the coming days, the stakeholders of the Foundation would be honoured for this work. This is a classic example of how a Lake can be restored. They have rejuvenated a Lake in Chandigarh too and both Hebbal Lake and Chandigarh Lake have turned into tourist attraction and a bird paradise, the Minister added. MLA L. Nagendra, MUDA Chairman H.V. Rajeev, BJP State General Secretary M. Rajendra, City BJP President Srivatsa and officials from Minor Irrigation Department were present.

NCC Army Wing Cadet Conferred with Chief Minister Commendation Card

Col. Rakesh Menon, Group Commander, NCC, Mysuru, presenting Chief Minister Commendation Card to SUO Anoosh Nayaka. Also seen are Lt. Col. Parag Mukherjee, Commanding Officer 1 Kar Eng., Coy Mysuru, Col. V. Srinivas, Admin Officer NCC Group HQ, Mysuru, Sub. K. Shaji, Lt. Harsha Kumar, ANO, JSS Polytechnic, Mysuru.

Mysuru, Feb. 13 - Senior Under Officer (SUO) K.B. Anoosh Nayaka, a student of Commerce in St. Joseph's College and a Cadet of 1 Karnataka Engineering Company NCC, Mysuru, has been conferred with Chief Minister Commendation Card 2020-21 for his outstanding contribution during training.

He received the medal along with a certificate of appreciation. During his NCC training he participated in Basic and Advance Leadership Camps, National Integration camps and Pre-RDC camps.

Winners of True Spirits lucky draw

As part of the fifth anniversary of True Spirits, a lucky draw was held on Jan. 30 to pick the winners through lucky dip by True Spirits proprietor R. Lakshman. One lucky customer won a bike as the bumper prize. Prizes were distributed at a function organised at 'Mysore Union' in Hebbal on Feb. 7 to S. Ravindra, Varun Aiyappa, Varun Gupta, R. Narayan, Amanthran, Gangadhar, Ravikumar and Dhanu Aiyappa. Former MLA Vasu, BJP leader B.P. Manjunath, industrialist Arun Govindegowda and staff of True Spirits were present.

Post-matric and nursing students scholarship

Expos at Exhibition Grounds, Maharaja's College Grounds to conclude tomorrow

Stall owners bemoan lack of business at rural products expo

Mysuru, Feb. 13 (RKB&DM)- Even as the 10-day expo of rural crafts and Industrial products organised under the joint aegis of the Department of Industries and Commerce and Khadi and Village Industries Board (KVIB) at Dasara Exhibition Grounds is drawing to a close, stall owners at the expo are bemoaning lack of public response to the expo.

The expo began at the sprawling Exhibition Grounds on Feb. 5, a day before the much publicised 25th edition of Hunar Haat.

When *SOM* spoke to some of the stall owners on Thursday, many of them rued that only a few people were visiting the expo ever since it began on Feb.5. Pointing out that while thousands of people are visiting Hunar Haat expo at Maharaja's College Grounds daily, only about a hundred people are visiting the Dasara Exhibition Grounds, where rural artefacts, handicrafts and industrial products are on sale.

Noting that the expo has more than 50 stalls, with rural artisans from all parts of the State, including Hubballi, Davangere, Gadag etc., exhibiting their products, they said that the venue also lacked sanitation facilities, with women facing a lot of inconvenience. They also questioned the timing of the expo when already Hunar Haat was going on in city.

The expo features nearly 50 stalls selling rural made products and artefacts such as earthen pots, flower vases, natural cooking oil, coconut oil, herbal-based body massage oils, gardening equipments, women dress wear, multi-millet and other nutritious powders, condiments, spices, ED embossed paintings, wood sculptured products, cloth bags, cotton shirts and other cotton wears, tooth powder, soaps and other natural and hand made products.

The expo, which is open to public from 10 am to 9 pm, concludes on Feb. 14.

Pushpa, a stall owner from Hunsur, said that there is no mobile toilets at Dasara exhibition grounds. Complaining that there is shortage of water too, she alleged that officials were apathetic to their plight. Regretting poor business, she said that lack of publicity and other factors has made the expo a near no-show, with hardly about a 100 people visiting every day. She further said that she was hardly able to meet her daily expenses, let alone earning profit.

Small Scale Industries, Information and Public Relations Minister C.C. Patil at one of the stalls at rural crafts and industrial products expo organised at Dasara Exhibition Grounds in city on Thursday.

Anjali, another woman stall owner, said that she had participated in more than 450 expos of this kind in the past. But this expo has brought her the most disappointment, as there is almost no business for her.

Kumaraswamy, a stall owner from Gadag, too echoed Anjali and said that he had never seen such a dull business in any of the expos he had participated in the past. He further said that hardly a handful of visitors visit his stall and only a couple of them buy something and the money thus earned is not enough even to meet his daily needs.

Sumana, a stall owner from Kuvempunagar in city, said that she had set up her stall with high expectations, having brought Asafoetida (*Hing* in Kannada), processed honey, coconut oil and other food and spice materials from Dharmashtala and other places. But she is deeply disappointed that all her expectations have gone wrong, she bemoaned.

Rukmini Chandran, Director of Karnataka Chapter of National Adventure Foundation, who has set up a stall of school bags, office bags, life jackets, trekking bags and such other products, said that she has hardly done Rs. 500 business in the first four days of the expo, which is disgusting.

A tribal woman from Pakshirajapura in Hunsur taluk said that she has brought herbal-based hair massage, pain relief, body ache oils etc., to the expo. But there are hardly any customers for her products and as such, she is forced to sell her products on the streets and the sales here is better than that in the expo.

Asgar Nurmamad Luhar, who has a Copper Bells stall at Hunar Haat, displaying an instrument made of copper.

The traditional jewellery stall at Hunar Haat set up by Abdul Suhail from Delhi is attracting women folk.

Audience tap their foot as Bhupinder Singh performs at 'Hunar Haat' at Maharaja's College Grounds in city last evening. The confluence of craft, cuisine and culture, which attracted over a lakh visitors in the past seven days, will conclude tomorrow. The expo is open from 11 am to 10 pm.

Isar of Jaipur Bangles demonstrates making of the bangles at Hunar Haat venue — Maharaja's College Grounds in city.

Dr. S.N. Mothi launches "You'll All See..."

The book unveils the journey of a specially-challenged boy Aditya Belur

Dr. S.N. Mothi** (third from left), **Consultant Paediatrician and Founder-Trustee of Ashakirana Hospital, is seen releasing the book** "You'll All See..." **in city last evening along with** (from left) **Elizabeth Shakuntala, Shubha Sanjay Urs, Founder of Mysuru Book Clubs-2015, Radhika Narayan, film actress, Kishan Belur, Aditya R. Belur, author and Sangeeta Belur.

Mysuru, Feb. 13 (NS)- *"You'll All See...,"* a book written by Aditya R. Belur from city, was released at a function organised by Mysuru Book Clubs-2015 in the sylvan surroundings of the MRC Club House premises here last evening.

Radhika Narayan, the well-known Kannada cine actor, received the first copy of the book released by Dr. S.N. Mothi, Consultant Paediatrician and Founder-Trustee of Ashakirana Hospital.

Aditya's parents Kishan Belur and Sangeeta Belur, Elizabeth Shakuntala, Shubha Sanjay Urs, Founder of the Book Clubs and N. Niranjan Nikam, Senior Journalist, also received the copies.

In conversation with Niranjan Nikam, author Aditya Belur shared his thoughts on what prompted him to write his debut novel.

"Confined to a wheelchair and my room, boredom prompted me to pen my thoughts which eventually became a novel. I had no intention of inspiring anybody but if it does, I'm glad," he said adding "if the novel seems like the voice of many people who are challenged in many ways, I'm happy."

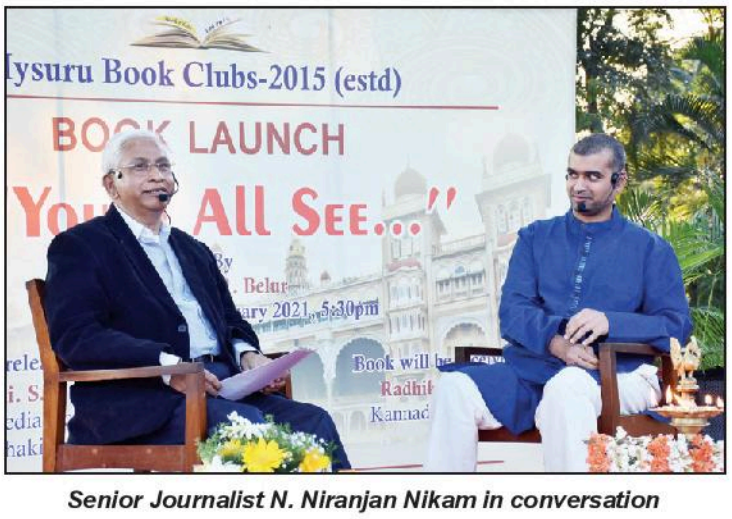
The 264-page self-published book, edited by N. Niranjan Nikam and Dr. Pamela Sanath, is a journey of a child who faces unexpected situations, the trials and tribulations as he grows into an adult and how he copes with it.

Aditya, who took questions from the audience, said though the novel has glimpses of his personal reflections, there is a fair mix of fiction too and hence it is in the reality fiction genre. Everyone has problems and one shouldn't give up is what the premise is basically about, he said.

Collateral Damage, where Surya the protagonist talks of the pain his family too was put through, *Acceptance* which talks of how after going through all stages of grief the hero accepts his condition and *MS: First Day of Acupuncture*, a witty narration of Surya's encounter with a Chinese nurse treating him were some of the chapters from which Radhika Narayan read out a few passages. She wished and hoped that Aditya would write more novels.

Dr. Mothi said many chapters in the book makes one introspect about life and said the line "I will do well in life" sums up what the author wants to say.

The book launch was attended by book-lovers and well-wishers of the author.



Senior Journalist N. Niranjan Nikam in conversation with author Aditya Belur.

Workshop on Intellectual Property Rights on Feb.19

Mysuru, Feb. 13- The Intellectual Property Rights Cell, University of Mysore, has organised a workshop on "Patent & Prosper: Building awareness on Intellectual Property Rights" on Feb.19 from 10.30 am at IOE auditorium, Vignana Bhawan, Manasagangothri.

The workshop aims to create IPR awareness among faculty, research scholars and students. It also intends to provide knowledge on various types of intellectual property like Patents, Copyright, Trademarks etc., and will focus on: Importance and scope of IPR in academic research; Patentability criteria; Translation of research into products, services or technology; Commercialisation of IPR and licensing.

First Session (11 am -12 noon) on the topic "Unleashing Creativity and Demystifying Intellectual Property Rights" will be by Dr. M.N. Bheemesh, Senior Advisor, ALMT Legal, Bengaluru; Second Session (12.30 pm - 1.30 pm) on "Patents to Boost Innovation" - Key aspects of Patentability Subject Matter & Understanding Copyright protection" by Rakesh Prabhu, Reg. Patent Agent and Partner, ALMT Legal, Bengaluru.

Google meet link will be shared with participants from outside Mysuru. For details contact Ph: 0821-2419632 or 0821-2419636 before Feb.13 [Registration link: https://forms.gle/9QrSg7TxUHQJ4e6R6].

WORD OF THE DAY

Retrocede

Pronunciation: ret-roh-SEED.
Meaning: To go back : recede; to cede back (something, such as a territory).
Origin: Retrocede is a 17th-century adaptation of Latin retrocēdere, which was formed by combining the prefix retro-, meaning "back" or "backward," with the verb cēdere, "to go or move away." Retrocede has a bit of a twist, however, because cēdere can also mean "cede" ("to yield or assign") and English cede traces back through French and Latin to this other meaning of cēdere. Other descendants of cēdere include accede, concede, intercede, precede, recede, secede, and even cede itself.
Example: "Under the 'One Country, Two Systems' principle, agreed when the United Kingdom retroceded [Hong Kong] to China, the city of 7.5 million has its own legislature and system of laws and courts." — Amy Gunia

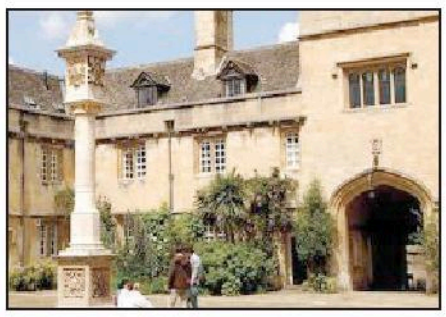
THE ODD WORD

Ramage

Boughs of a tree.

PHRASE OF THE DAY

Rack and ruin



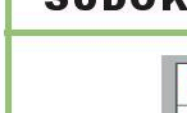
Meaning: To go to rack and ruin is to fall into a state of complete disrepair or destruction.
Origin: It might be thought that the rack in this phrase refers to the medieval torture device, as in the phrase rack one's brains. This rack is however a variant of the now defunct word wrack, more usually known to us now as wreck. The rather tautological use of the two similar words 'rack' and 'ruin' is for the sake of emphasis. In that respect the phrase follows the pattern of beck and call, chop and change, fair and square etc.
The term 'going to wreck' was the forerunner of 'rack and ruin' and was used as early as 1548, in a sermon by Ephraim Udall:
"The flocke goeth to wrecke and vtterly perisheth."
Henry Bull moved the phrase on to 'wrack and ruin' in his translation of Luther's Commentarie upon the fiftene psalmes, 1577:
"Whiles all things seeme to fall to wracke and ruine."

QUOTE BOX

My beautiful proof lies all in ruins. — **Georg Cantor**

RIDDLE THIS

Solve the rebus:



Answer: Six pack of beer.

CROSS WORD

ACROSS:

1 Bollywood's ___ Akbar Anthony
5 "To be" in Paris?

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

ISL 2020-21

SC East Bengal and Hyderabad play out draw

Vasco, Feb. 13- A late goal from Aridane Santana helped Hyderabad FC to a 1-1 draw against SC East Bengal in Match 91 of Hero Indian Super League (Hero ISL) 2020-21 at the Tilak Maidan Stadium in Vasco yesterday.

Bright Enobakhare gave SC East Bengal the lead in the second half before Santana restored parity in the closing stages of the game.

The result though brought good news for ATK Mohun Bagan who became the second team after Mumbai City FC to qualify for the semis.

AWARDS

Hero of the Match: Akash Mishra (Hyderabad); **DHL Winning Pass of the Match:** Anthony Pilkington (SC East Bengal).
